

## Les molècules de la vida

- Aigua
- Aigua líquida
- Aigua gel

### Sucres

- Glucosa
- Fructosa
- Sacarosa
- Lactosa
- Midó

### Grases

- Triacilglicèrid
- Colesterol
- Membrana plasmàtica

### Vitamines

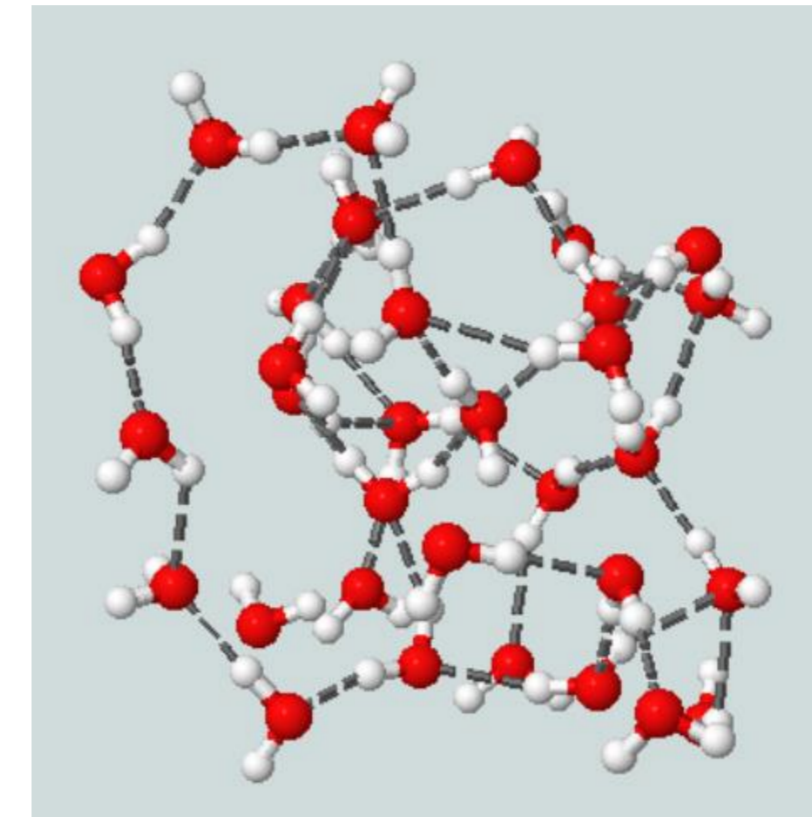

- Vitamina A
- Vitamina E
- Vitamina C

### Proteïnes

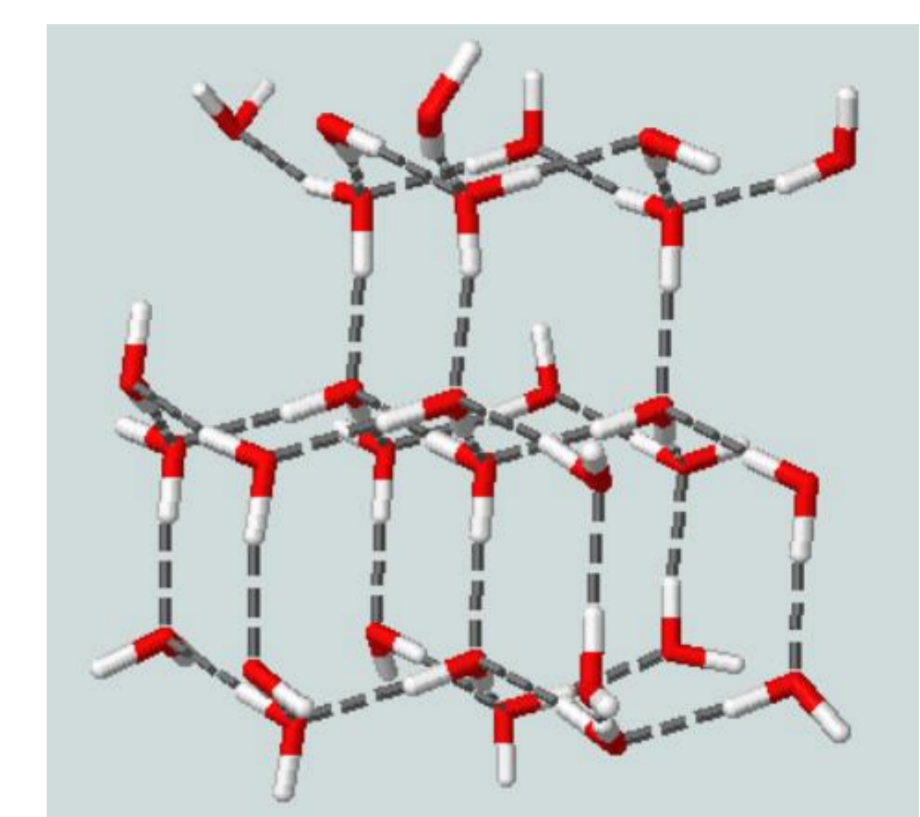

- Hemoglobina
  - Albumina
  - Inmunoglobulina
- 
- ADN
